Symantec is a global leader in providing security, storage and system management solutions to help businesses and consumers secure and manage their information. We help organizations protect their infrastructure, information and interactions by delivering software and services that address risks to security, availability, compliance and performance.

Symantec is a global leader in providing security, storage and systems management solutions to help consumers and organizations secure and manage their information-driven world. Our software and services protect against more risks at more points, more completely and efficiently, enabling confidence wherever information is used or stored. More information is available at www.symantec.com.
